

Program to print grade in exam

Code:

```
a=int(input("Enter grade"))
if(a >75):
    print("Distinction")
elif(a<=75 and a>=60):
    print("First Class")
elif(a<60 and a >= 50):
    print("Pass")
else:
    print("Fail")
```

Output:

1.

Enter grade10

Fail

2.

Enter grade50

Pass
